

2 person Flag Station

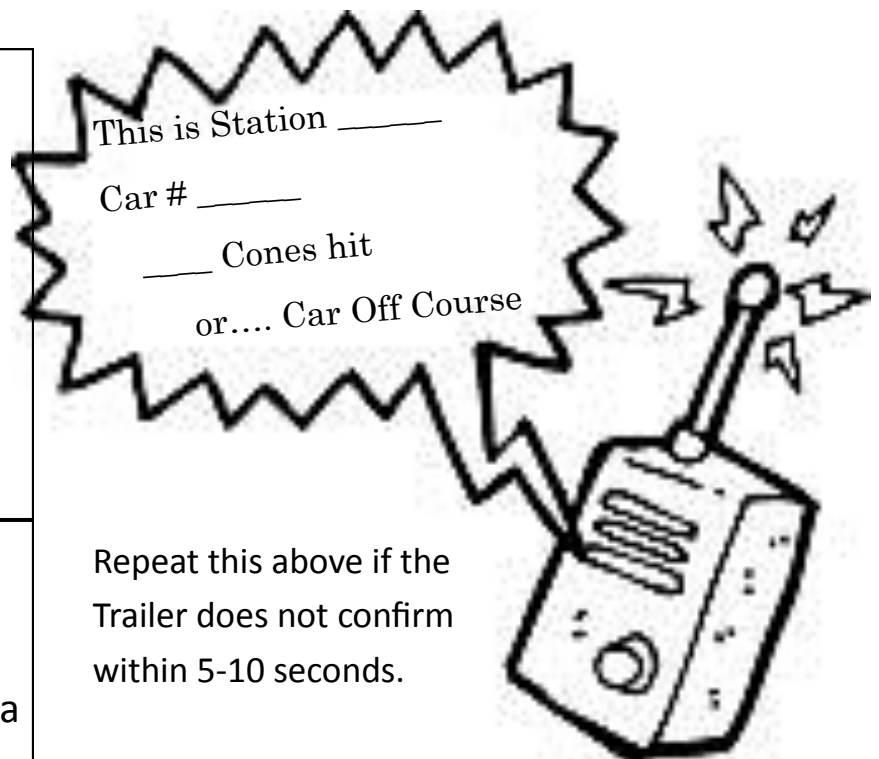

- Safety First!
- Eyes on Cars
- Wave your Red Flag when:
 - * You see pedestrian on course
 - * You see a hazard
 - * You hear “Red Flag” on Radio

Radio

- Handle Radio calls
- Handles Flag
- Scans perimeter, etc.
- Watch the cars

Cone Reset

- Resets cones once lead car passes
- Move TO and FROM cone area QUICKLY—there are more cars on course!
- Calls out # cones actually HIT
- Scan perimeter, etc
- Watch the cars

Repeat this above if the Trailer does not confirm within 5-10 seconds.

- Stay on task w/conversation
- Stay hydrated
- Listen for radio calls
- Keep cellphone in pockets
- No sitting (sorry)
