Welcome!

Allie Conley, Chair
Steve Wilson, Co-Chair
PCA Potomac Club Race

Welcome to Rock the Summit 2024 - our 33rd Annual PCA Potomac Club Race at Summit Point Motorsports Park! This is an exciting year of firsts and race enhancements:

Live Streaming with Announcing: This year's racing action will be announced and live streamed to our PCA Potomac YouTube Channel. We are the first PCA Club Racing region to launch live streaming and expect this to spread to other regions! We thank Fitzwater and Dean for sponsoring our inaugural launch! Scan the QR code to view!

The Carolyn Eyerly Band Performing: Award-winning Bluegrass artist, Carolyn Eyerly, and her band, will be performing at Saturday night's happy hour and dinner. We hope you are able to attend and enjoy!

E-Versions of this Race Program, Schedule, Driver Lists, and Race Results: These e-versions will be on a new Event's page on our PCA Potomac Club Race website. You asked, we listened! Scan the QR code to view!

We thank all our racers and their crews; our sponsors for their generous support and unwavering commitment to make this race the best it can be! We also thank our volunteers- over 100 of you – who make this event happen every year! We could not do this without you!

Here's to Rock the Summit 2024!

2024 CLUB RACE COMMITTEE

Porsche Certified Collision Center

Tesla Certified Collision Center

Audi Certified Collision Center

PORSCHE

Porsche Approved Collision Center since 2014

Euro Pros Auto Body is your premier Porsche auto collision center. At Euro Pros we have painted and restored Porsches since we opened our doors. We have over ten years of experience with Porsches. You will not find another auto collision shop in the D.C. Area or on the east coast with the expertise that we have when it comes to Porsche. If you want your Porsche done right bring it to Euro Pros and we will bring it back to showroom condition.

We became a Porsche Approved Collision Center in 2014. This means that we have passed the extensive training and are equipped to provide collision services that match the quality of your Porsche automobile.

erin levitas FOUNDATION Programs

In-school sexual assault prevention program for middle-schoolers.
E.R.I.N. Talk trains and deploys skilled facilitators to lead primary sexual assault prevention restorative circles in Baltimore City middle schools.

This signature program with the University of Maryland's Carey Law School uses a restorative justice framework to engage middle school students in educational activities that help them identify, question, and reject the destructive ideas that give rise to sexual violence.

A University of Maryland Baltimore Carey School of Law and School of Social Work program supported by the Erin Levitas Foundation.

Online sexual harassment training for youth serving adults.

Teacher Talk is a virtual training to help professionals identify and respond to sexual harassment. Because we know sexual harassment can be a precursor to sexual violence, we're providing resources so for intervention.

Sexual harassment happens. By giving educators the opportunity to learn how to respond to it, we're it less likely that sexual harassment escalates to sexual harm.

Developed in partnership with the University of Maryland Baltimore Carey School of Law and School of Social Work.

Giving parents and caregivers the tools they need.

Parent Talk is an education campaign aimed at parents and caregivers.

The goal of Parent Talk is to teach parents and caregivers about protective and risk factors of sexual assault perpetration and victimization, and give them strategies for having conversations with children that will help keep them safe.

Developed in partnership with the University of Maryland Baltimore Carey School of Law and School of Social Work.

It's never too early to teach children about their bodies and boundaries.

Every Body Talk is an inclusive and trauma-informed children's book families can use to start conversations about keeping bodies safe. The book walks through language children and guardians can use to communicate about topics that can be tough.

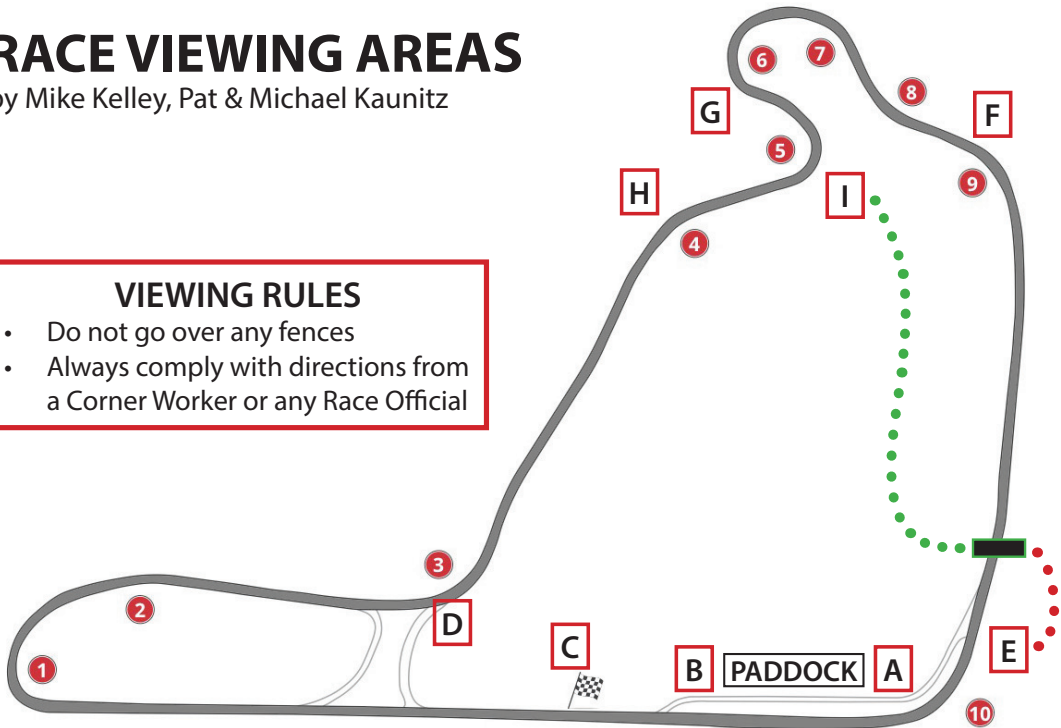

We provide this book free of charge to communities in need, and donate one book for every book purchased on the website. Available in English and Spanish.

RACE VIEWING AREAS

by Mike Kelley, Pat & Michael Kaunitz

VIEWING RULES

- Do not go over any fences
- Always comply with directions from a Corner Worker or any Race Official

● Turn Numbers are in Red Circles

□ Viewing Spots are in Red Squares

Spot	Name	How To Get There	What Is Interesting There
A	Turn 10 Tower	In the Paddock at the beginning of the Grid.	See cars coming under the bridge, coming around Turn 10, and cars pitting if they need to.
B	Pit Out Tower	In the Paddock at the end of the Grid.	Please walk around the back of all Emergency vehicles. See cars staging on Grid, cars coming down the front straight.
C	Control Tower Hill	Walk to the hill around the Control Tower.	See the Starter (best place to watch the start of a race). See cars approaching Turn 1 and coming through 2 & 3.
D	Turn 3	Walk down the hill from the Control Tower towards Turn 3.	Go to the far right of the fence line to see good cars entering this blind turn. Go to the far left end of the fence to see cars head over the hill and disappear.
E	Turn 10 Grandstands	Leave the Paddock, take a right after you cross the bridge following the dotted red line.	Lots of passing occurs in Turn 10 as cars try to carry as much momentum as they can to get a goo run down the front stretch, It's a fast turn and cars may appear to be moving sideways. This is a good photo spot in the morning.
F	Turn 9 Grandstands	Near the Main Gate.	Take a seat up at the top of the Grandstands. Almost half of the turns are in your view. Cars are streaming down the hill (Turns 4 & 5), around the carousel (Turns 6 & 7), and back towards the bridge (Turns 7, 8, 9).

RACE VIEWING AREAS (Continued)

Spot	Name	How To Get There	What Is Interesting There
G	Turn 5 Bleachers	Take the road away from the main gate keeping the track on your left. Park near the fence on the left.	The tiny bleachers allow you to get very close to the cars - you can practically see inside them. From the far left of the fence down low between the fence rails, car will seem as if they are coming right out of your photos.
H	Turn 5	Up the hill right next to the Turn 4 corner station.	Stand right next to the Turn 4 corner station. For photos, it's a very tight angle over the concrete barrier, but you can get some shots of the cars hanging on through the turn and also see cars coming over the hill from Turn 3.
I	Infield Grandstands	Unpaved adventure! Take the dirt & gravel road immediately in front of you as you cross the bridge going toward the paddock (green dotted line on map). Keep bearing right until out of the woods and in a field.	There are two Grandstands here; one straight ahead and one off to the left. To your right you will be able to see cars going up the hill. Straight ahead you will see cars transitioning from right to left hand turns. Up to your left you can see drivers trying to out-brake each other as they race into Turn 5.

VENDOR HOURS

Stupid Fast Tires (Hoosier, Toyo and Pirelli Tires)	
Thursday	2:00 pm to 5:30 pm
Friday & Saturday	7:30 am to 6:00 pm
Sunday	7:30 to 10:00 am
Chez Summit	
Friday & Saturday	7:30 am to 2:00 pm (food); ice and beverages until 4:00 pm
Sunday	7:30 am to 2:00 pm
Summit Point Pro Shop <i>powered by Mach V Motorsports</i>	
Friday	9:00 am to 3:30 pm
Saturday	9:00 am to 4:00 pm
Sunday	9:00 am to 12:00 pm
Kona Ice Truck	
Saturday	1:00 pm to 4:00 pm, near the Erin Levitas Foundation Tent
Coffeemanía Coffee Truck	
Friday	7:00 am to 12:00 pm
Saturday & Sunday	7:00 am to 12:00 pm

* Schedule subject to change

How We Determine Who Gets the Trophies

By Ed Hahn, Fred Pfeiffer and Donna Amico

We have three sets of awards for 1st, 2nd and 3rd place for the “Rock the Summit” PCA Club Race this weekend, one set each for Sprint Races (Green, Blue and Red Groups), Vintage Races (Silver Group), and Enduro Races.

Sprint Races: We award one set of sprint race trophies based on the combined results of the two Sprint races on Saturday. We combine the results as follows:

- Total the results of the two sprint races (1 point for first, 2 points for second, etc.)
- Lowest total receives first place, second lowest is second, etc.
- Ties are broken based on the lowest lap time in the two races. If identical, then we go to the second-best lap time, etc.
- Racers must finish both races to qualify for a trophy.

Vintage Races: We award one set of vintage race trophies based on the combined results of the three Vintage races, one on Friday and two on Saturday. Racers are awarded points in all 3 races based on finishing position in class. Two points are awarded for starting the race, and then 10 points for 1st, 7 for 2nd, 5 for 3rd, 4 for 4th, 3 for 5th, 2 for 6th and 1 for 7th or higher. We award first, second and third place trophies to the highest points totals, in order. All podium finishers receive trophies regardless of the number of cars in the class.

Enduro Races: 1st, 2nd, and 3rd place stickers are awarded to those finishing positions in each class for its enduro race on Sunday.

PCA Potomac Club Race Event Safety Tips

The safety of our racers, volunteers and guests is always our priority. Please take a moment to review these reminders.

- Do not block paddock roads with vehicles or equipment. Emergency vehicles must have open access to the entire paddock at ***all*** times.
- Obey the 10-mph paddock speed limit. Be responsible while using any motorized vehicle.
- Follow the posted clockwise directional flow of our paddock.
- Do not park non-essential vehicles in the paddock. Public parking is available past the paddock in the grass. Trailer parking is available over the bridge near Turn 10.
- The use of aerial drones is prohibited at Summit Point Motorsport Park and by PCA National.
- Consume alcoholic beverages only after all cars are off the track at the end of the day.
- The possession of illegal drugs or any firearms is strictly prohibited.
- Access is limited to in and around the main track. No access is permitted to other parts of the property.

THANK YOU ALL for helping us keep everyone safe.
