PRESIDENTS NOTE by Joe Berger

My family and I wish you the Merriest of Christmas' and all the best for the coming New Year.

The start of a new Porsche Club year brings hopes for a better organization through greater participation by the membership. This one thing is upper-most in my mind, which means that we will go to great lengths to encourage interest and to solicit your help whether you're a long-time member or have just joined the Porsche Club. We know, all-to-well, the problems one has in venturing into anything new and with this new year almost upon us, we want to get things off to a roaring start by letting you know what's going to happen well in advance. Get your calendars limbered up because Pete Reynolds has a whale of a program outlined under "Activities '68".

ACTIVITIES '68 by Pete Reynolds

We have a very active year planned for 1968. Again there will be a rallye school, an autocross school and tech sessions, as well as many social events. I am planning a nation-wide tour to the Parade, a ski weekend, a fasching, a picnic-hillclimb, a concour, an econo-run and many other events.

As in the past, new members are urged to be more active. Just attending meetings is fine, but you new members are a part of the Club and must participate more; thus I am asking that all interested contact me in regards to helping on an event (need Help!)

The calendar is set through the first part of March and is outlined. The complete list of events will appear in the "PROFESSIONAL" issue in January.

Jan. 4	Thursday	Special Interest Meeting (see article)
Jan. 26	Friday	Rallye School - Fred Hillman OD This school will run for 3 weeks with a rallye included. Pre-register with Fred - [redacted].
Jan. 29	Monday	PCA Meeting

Merry CHRISTMAS

PRESIDENTS NOTE by Joe Berger

My family and I wish you the Merriest of Christmas' and all the best for the coming New Year.

The start of a new Porsche Club year brings hopes for a better organization through greater participation by the membership. This can only be done by your active participation in club events. We will go to great lengths to encourage interest and to solicit your help when they are needed. Any ideas, comments or criticisms of the Porsche Club. We know, all-to-well, the problems one has in venturing into anything new and with this new year almost upon us, we must to get things off to a rousing start by letting you know what's going to happen well in advance. Get your calendars lithered up because Pete Reynolds has a whole of a program outlined under "Activities '68".

ACTIVITIES '68 by Pete Reynolds

We have a very active year planned for 1968. Again there will be a rally school, an autocross school and back seaters, as well as many social events. I am planning a nation-wide tour to the Parade, a ski weekend, a Treasure, a picnic-hillclimb, a concours, an econo-run and many other events.

As in the past, new members are urged to be here early. Just attending meetings is fine, but you may consider any of the club and be [illegible]

[illegible] to help us [illegible]

The calendar is set through the first part of March is updated. The complete list of events will appear in the "PROFESSIONAL" issue in January.

Jan. 4 Thursday Special Interest Meeting (see article)

Jan. 26 Friday Rally School - Fred Pillman Co
This school will run for 3 weeks
with a rally included. Pre-
register with Fred - 436-1121.

Jan. 29 Monday PCA Meeting

MERRY CHRISTMAS

Feb. 2	Friday	Second night of rallye school
Feb. 9	Friday	Third night of rallye school
Feb. 10-11	Sat & Sun	Ski Weekend - Pete Reynolds OD Charnita, Penn. We have rented a cabin at Charnita and will prove to be fun for skier and non-skier alike.
Feb. 17	Saturday	Tech Session - GeeDee Porsche Service
Mar. 2	Saturday	Fasching - Bob Hackman OD This is the night for all to act like the Jolly Beer Drinking Germans.

SPECIAL INTEREST MEETING by Mary Wise

There will be an open meeting to discuss proposed changes to both Rallye Rules and Autocross Rules on Thursday, January 4, 1968, at 8 P. M. at the home of Joe Berger, [redacted]. Proposed changes for both sets of rules are scheduled to be published in the Stopwatcher before the Councel meeting on January 8. Hopefully they will be printed before this meeting in order that you may have ample time in which to study thoroughly. If not, changes are not numberous so there will be ample time to discuss them at the meeting. Bob Harper and Mary Wise will be on hand to explain the reasons given by the Committees for these proposed changes. This is your opportunity to discuss current rules, changes proposed, and to state your own views. You'all come!
